**To the Friends of Humanity.**  
**THE PHILANTHROPIST**

IS the title of a monthly sheet, proposed to be issued in Wilmington, N. C., at one dollar a year, payable on receipt of the first number. Intemperance, the great enemy to prosperity and happiness, is exerting a wide influence throughout the country. It is a growing evil, and is daily destroying the lives, to say nothing of the comforts, of thousands of the human family, notwithstanding the efforts that have been made, and are still being made, towards its suppression. One principal reason why this great evil is still permitted to exist to an alarming extent, is, that the exertions of the friends of the Temperance cause have been confined principally to cities and towns, while villages and the country at large, are almost entirely neglected. A cheap temperance newspaper could not, it is presumed, fail of success, in the way of patronage; and if extensively circulated, would doubtless prove a barrier, in no small degree, to the progress of intemperance—thus carrying out successfully, the praiseworthy intention of the friends of Temperance, which could not be accomplished in any other way. This publication, besides proving  
A foe to the Grogger,  
an the disgraceful habits of drunkenness, will, at the same time, afford a variety of other matter, of a distinct nature.  
In North Carolina no paper of this description has ever made its appearance, (although proposals have recently been issued for the purpose,) owing, no doubt, to the fact that the influence necessary to promote the success of a work of this kind, has been omitted. An anxious appeal is made to the friends of the cause generally, to use their utmost endeavors to give encouragement to this publication. The first number of the **Philanthropist** will make its appearance as soon as 600 subscribers can be obtained, which can be done if every influential person would feel a sufficient interest in the cause of Temperance, to exert himself. The **Philanthropist** will be printed on a medium sheet, in newspaper form, so as to afford a privilege to advertisers.  
Persons disposed to patronize this work, are requested to forward their names to Wilmington, by mail or otherwise, by the first of August next, addressed to the  
EDITOR OF THE "PHILANTHROPIST."  
Editors of papers throughout the State will please give the above a few insertions, with some remarks of their own by way of recommendation.

**ALL-HEALING.**  
**McALISTER'S**  
**CHRONIC**

THE preceding figure is given to represent the insensible perspiration. It is the great Evacuation from the impurities of the body. It will be noticed that this cloudy mist issues from all points of the surface, which indicates that this perspiration flows uninterruptedly when we are in health, but ceases when we are sick—Life cannot be sustained without it. It is thrown off from the blood and other juices of the body, and disposed of by this means, upon the surface of the skin. The language of Scripture is, "in the BLOOD is the Life." If it ever becomes impure, it may be traced directly to the stoppage of the insensible Perspiration. Thus we see, all that is necessary when the blood is stagnant, or infected, is to open the pores, and it relieves itself from all impurity INSTANTLY. Its own heat and vitality are sufficient, without one particle of medicine, except to open the pores upon the surface. Thus we see the folly of taking so much internal remedies. All practitioners, however, direct their efforts to restore within the system, the perspiration. The Thompsonian, for instance, administers the Hydropathic shrouds in wet blankets, the Homoeopath deals out infinitesimals, the Phlogistons bleed and doses with mercury, and the blustering Quack gorges us with pills, pills, pills.  
To give some idea of the amount of the insensible Perspiration, we will state that the learned Dr. Lewenhook ascertained that five-eighths of all we receive into the stomach, passed off by this means. In other words, if we eat and drink eight pounds per day, we evacuate five pounds of it by the insensible Perspiration.  
This is none other than the used up particles of the blood, and other juices giving place to the new and fresh ones. To check this, therefore, is to retain in the system five-eighths of all the vitruous matter that nature demands should leave the body.  
By a sudden transition from heat to cold, the pores are stopped, the perspiration ceases, and disease begins at once to develop itself. Hence, a stoppage of this flow of the juices, originates so many complaints.  
It is by stopping the pores, that over-heating mankind with calomel, calomel and opium, Nine-tenths of the world die from diseases induced by a stoppage of the insensible Perspiration.  
Let us ask, now, every candid mind, what course seems the most reasonable to pursue, to untie the pores, after they are closed. Would you give physic to untie the pores? Or would you apply something that would do this upon the surface, where the clogging actually is? And yet I know of no physician who makes any external application to effect it. Under these circumstances, I have prepared a medicine, which I call **McALISTER'S HEALING OINTMENT, OR THE WORLD'S SALVE**. It has POWER to restore perspiration on the feet, on the hands, around the sores, upon the chest, in short, upon every part of the body, whether diseased slightly or severely. It has power to cause all external sores, scrofulous humors, skin diseases, poisonous wounds, to discharge their vitruous matter, then heal them.  
It is a remedy that sweeps off the whole catalogue of cutaneous diseases, and restores the entire cuticle to its healthy functions.  
I have used it, and for the last twenty years for all diseases of the chest, consumption, liver, involving the stomach, danger and responsibility, and I declare before Heaven and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal means.  
I have had physicians, learned in the profession, I have had ministers of the Gospel, I have had the best of the learned and the good, give me the highest commendation and MULTITUDES OF THE POOR, use it in every variety of way, and there has been but one voice—one universal voice—saying "McAlister, your Ointment is GOOD."

**HEADACHE.**  
The Salve has cured persons of the Headache of 12 years standing, and who had tried every remedy every week, so that vomiting often took place.  
Deafness and Ear Ache are helped with like success.  
**OLD SORES.**  
That some Sores are not cured by the impropriety of the system, is because they cannot pass off through the natural channels of the insensible Perspiration. If such sores are healed up, the impurities must have some other outlet, or it will endanger life. This Salve will at once provide for such emergencies.  
**RHEUMATISM.**  
It removes almost immediately the inflammation and swelling, when the pain of the joints ceases.  
**FEVERS.**  
In all cases of fever, the difficulty lies in the pores being locked up, so that the heat and perspiration cannot pass off. If the least moisture could be started, the crisis would be aided, and the danger over. The All-Healing Ointment will in all cases of fevers almost instantly untie the skin and bring forth the perspiration.  
**SKIN DISEASES.** Such as **ASTHMA, OP-PRESSION, PAINS, AND SORE LIPS, CHAPPED HANDS, TUMORS, CUTANEOUS ERUPTIONS, NERVOUS DISEASES, AND THE SPINE** there is no medicine now so good—and as for BURNS it has no equal in the world!  
**PIMPLES ON THE FACE, MASCLINE SKIN, GROSS SURFACES.** Sale slow to resort to them. Especially "mercurial lozenges," called "medicated lozenges," "vermifuges," pills, &c. The truth is, that such lozenges, and pills, and ointments, are all but useless. Now let me say to parents, that this Salve will drive every evil out of a child. It will DRIVE every vermin out of a child. There is probably no medicine on the face of the earth so sure and so safe in the expulsion of worms. AS A FAMILY MEDICINE, it is as good as the stars roll along over the Heavens, so long as man treads the earth, subject to all infirmities of the flesh—so long as disease and sickness is known—just so long will this good Ointment be used and esteemed. When man ceases from off the earth, then the demand will cease, and need no more.

**CAUTION.**—No Ointment will be genuine unless the name of James McAlister, or James McAlister & Co., is blown in the glass of the bottle. We now hereby offer a reward of \$500 to be paid on conviction in any of the constituted courts of the United States, of any individual counterfeiting our name and Ointment.  
April 3d, 1846. —(30)  
The above Ointment is for sale in Wilmington, at the CHRONICLE OFFICE.  
Price 50 cents for the large, and 25 cents for the small bottles.

**LIVERY STABLES.**  
SINCE my LIVERY STABLES were destroyed by fire in August last, I have erected on the same lot on Second st., and have now in use, another large, comfortable, and convenient lot of Stables, fully equal, if not superior to any in this State.  
For the liberal patronage heretofore bestowed upon me by my friends and the public, I return my most grateful thanks, and hope by diligent and proper attention to my business, to insure a continuation of the same.  
I have also a large dry and comfortable lot, with good Sheds, and comfortable Stalls, for the accommodation of drovers. All of which, are situated in the most public part of the town, and convenient for trade or business of any kind.
